

Create your space with

MY SPACE

A MUST-HAVE MODERN OFFICE SOLUTION

MY SPACE is a universal modular screen system with excellent acoustic properties designed to shape unique office spaces. This system is the ideal solution for agile, activity-based and open-plan offices.

ENDLESS OPPORTUNITIES FOR SPACE CREATION

FROM PRIVATE MINI- ROOM TO COLLABORATION AREAS

A wide range of applications and configurations of these modular acoustic screens let you easily adapt the furniture to various office planning needs and working situations.

PRIVACY NEEDS

Depending on your chosen combination, you can create a spaces with different level of privacy

ACOUSTIC FEATURES FOR BETTER CONCENTRATION

MY SPACE allows you to concentrate on your work as you hear less distracting noises from the surrounding environment, yet you hear what is happening around and do not feel separated.

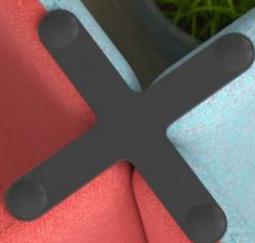

COLOURS WITH PURPOSE

Use your desired colour combinations to create individual spaces or indicate group workspaces.

Using different colours for individual workplaces, collaboration and socialization areas will serve different purposes: the need to be focused and productive, or the opposite, relaxed.

A WIDE SELECTION OF DEKSTOPS

Different size and shape desktops make MY SPACE a flexible solution for almost any working environment while height-adjustment function helps create a convenient workplace for individual tasks.

DIFFERENT SIZE FOR DIFFERENT APPLICATIONS

Expanded connectivity

Thanks to the modular construction, this acoustic furniture allows you to electrify up to 6 workplaces with a single power socket.
