Product Fact Sheet

MIZETTO

Wait Here

A reliable companion, poised to carry everything from petite meeting essentials to hefty binders, Wait Here stands tall as the newest addition to the Bin There family—a larger, sturdier sibling.

This versatile trolley offers expanded storage capacity with its open design featuring two trays. The upper tray boasts a smooth wooden surface, ensuring a seamless journey through the office, while the lower tray, crafted from durable metal, is primed to bear heavier loads. A perforated sheet metal construction not only adds aesthetic charm but also facilitates easy maneuverability and wards off dust.

Sporting a sleek, lightweight design, Wait Here exudes an air of elegance, further accentuated by its perforated sheet metal tray and plush leather-clad handle for ergonomic comfort. Don't be fooled by its grace—this trolley is built to last.

Design	Addi Design Studio
Environment	Indoor
Material	The frame consists of 8-30% recycled metal and is powder coated. The powder coating provides both environmental and quality benefits as no solvents need to be added and the amount of waste is minimum. Tray are made of oak plywood. Casters is made from plastic.
