

DESIGN BY HEE WELLING & HAY

HAY

AAS 33

HIGHLIGHTS

- Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa
- Variability of textiles, colours and base finishes
- Available with plastic shell, with front upholstery (AAS 32) and full upholstery (AAS 33) in a large selection of fabrics and leathers
- Also available with steel sled base
- Suitable for a wide variety of private and public environments
- Qualified for contract use

AAS 33 DESIGN BY HEE WELLING & HAY

Featuring a curved backrest and long, elegant wooden legs, About A Stool AAS 33 shares the same versatile profile as the other designs in the collection. The upholstered seat is offered in a wide variety of fabric options, with the legs available in two heights in different wood finishes. The series' simple yet strong visual presence makes it ideal as a bar stool in a variety of corporate, public, and private contexts.

Hee Welling & HAY

AAS 33 High | Remix 123 | Black water-based lacquered oak base

AAS 33 High | Ruskin 12 | Water-based lacquered walnut base

MATERIALS

SHELL

Injection moulded solid-coloured polypropylene seat. Made from 100% post-consumer recycled PP. Full upholstery

BASE

Water-based lacquered moulded plywood base. Inner plywood in beech, top veneer in oak or walnut

FOOTREST

Black powder coated steel or stainless steel.

Black footrest is recommended for black shells. Stainless steel footrest is recommended for other shell colours and contract use

Non-domestic seating

BIFMA ANSI BIFMA X5.4
Lounge and public seating

SUSTAINABILITY

At HAY, we believe good design should stand the test of time. That principle shapes the decisions we make – from the materials and suppliers we work with to the certifications we pursue to ensure our products meet recognised standards. We use recycled content where possible, FSC™-certified wood (FSC-C148805), and bio-based foam that helps lower our products' overall carbon footprint. We are also increasing the number of products certified with the EU Ecolabel and the Nordic Swan Ecolabel, reflecting our ambition to make lower-impact choices across our assortment. HAY follows strict regulatory requirements, and most of our products are tested to meet international standards for strength, durability, and safety.
