

DESIGN BY HEE WELLING & HAY

HAY

AAS 39

HIGHLIGHTS

- Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa
- Variability of textiles, colours and base finishes
- Available with plastic shell, with front upholstery (AAS 32) and full upholstery (AAS 39) in a large selection of fabrics and leathers
- Also available with steel sled base
- Suitable for a wide variety of private and public environments
- Qualified for contract use

AAS 39 DESIGN BY HEE WELLING & HAY

Featuring a curved backrest and elegant rounded frame in metal, About A Stool AAS 39 offers a more industrial expression, while sharing the same versatile profile as the other designs in the collection. The upholstered seat is offered in a wide variety of fabric options, with the sled base available in two heights in different steel finishes. The series' simple yet strong visual presence makes it ideal as a bar stool in a variety of corporate, public, and private contexts.

Hee Welling & HAY

AAS 39 | Remix 183 | Black powder coated steel base

Lounge and public seating

SUSTAINABILITY

At HAY, we believe good design should stand the test of time. That principle shapes the decisions we make – from the materials and suppliers we work with to the certifications we pursue to ensure our products meet recognised standards. We use recycled content where possible, FSC™-certified wood (FSC-C148805), and bio-based foam that helps lower our products' overall carbon footprint. We are also increasing the number of products certified with the EU Ecolabel and the Nordic Swan Ecolabel, reflecting our ambition to make lower-impact choices across our assortment. HAY follows strict regulatory requirements, and most of our products are tested to meet international standards for strength, durability, and safety.
