

Nordic console - oak - 2 drawers

160/40/85

51444

Description

Our Nordic collection combines refined design with the purity of solid wood. The bevelled edges gives this solid oak furniture an extra edge, we would say.

The Oak Nordic console features 2 drawers.

Designer Alain Van Havre

For Alain van Havre, inspiration is everything. Deeply connected to his environment and passionate about natural materials, he has developed an exceptional expertise for woodworking. Over the years, he has created his own visual language centred around form, a translation best described in collections such as the Bok, Graphic, Pl, and Stairs. He believes that for someone to connect with a design, it is important to bring it closer to nature. Over the past 20 years Alain has played a pivotal role in influencing the Ethnicraft designs we know and love today.
