

# Pentagon console - varnished Minerals - Lava Whisky 150/40/75

25896

## Description

Relying on some of the oldest artistic ancestral techniques, the Pentagon's surface is shaped by our skilled artisans. Natural mineral powders and colour pigments blend to form the unique finish. The recessed lower shelf set against the thickness of the top makes for a revealing graphic contrast against the openness of the base. Clean lines and a standardised height showcase the simple beauty of the metal work.
