Standard wood colours

Our palette of 9 oak tones, including 3 new ones, from rich, earthy depths to soft, natural lights, is created using Rubio Monocoat's hardwax oil finish. Free from VOCs and SIN-listed substances, it bonds directly to the wood fibers, enhancing colour and texture. The result: a durable, easily refreshed surface with a natural feel and timeless aesthetic.

 Click each colour to see how they apply on Ascent.

Super White

Custom wood colours

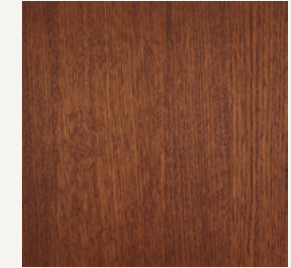

Our custom colours, crafted with Rubio Monocoat's 0% VOC, SIN-list-free oil, offer limitless possibilities. From vivid statements to subtle, nature-inspired tones, each finish enhances the wood's texture and is easy to maintain. We're here to help you find the perfect match for your space, style, and vision.

Standard metal colours

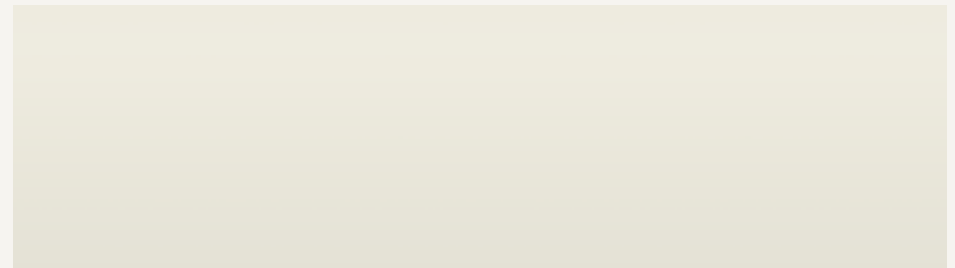

Our metal parts are finished with a durable, SIN-list-free powder coating. Now transitioning to Textura, a matte, textured finish, for a refined look and better wear resistance. Choose from all RAL colours, including 109 AkzoNobel Textura shades. Three tiers available: Green's internal standards, AkzoNobel standards, and special custom colours to suit your design needs.

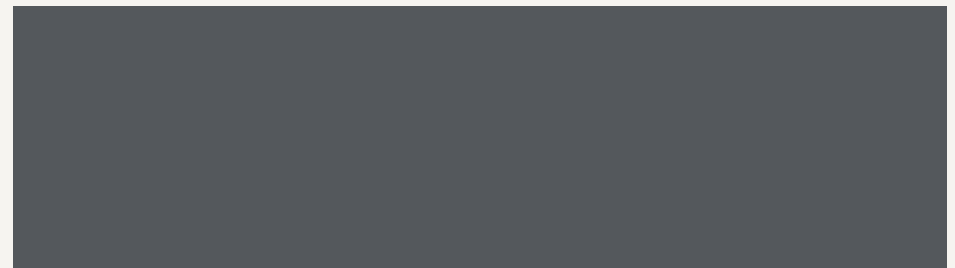

For custom solutions, you can choose any RAL colour code from interpon D1036 textura range.

Matte Black (RAL 9005)

Matte White (RAL 9010)

Graphite Grey (RAL 7024)
