Standard single wool felt colours

Our green and white wool felt leaves are made from recycled wool. Cut from 3 mm-thick felt, these single-colour mixes embody circular design and bring a timeless aesthetic to any environment. Simple yet versatile, they create a calm ambience guided by nature.

Custom wool felt colours

For a customised design, our palette of over 80 wool felt colours offers endless possibilities. Combine earthy tones, soft neutrals, or bold, vibrant hues to craft a unique mix that reflects your brand, style, or vision. With the option to blend colours freely, you can create a striking statement piece or a subtle, harmonious design. The choice is yours.

Standard trunk finishes

For the Leaf Lamp Tree, choose a natural birch or refined metal trunk, tailoring the look to your space.

Our metal parts are finished with a durable, SIN-list-free powder coating, now transitioning to Textura, a matte, textured finish that provides a refined look and improved wear resistance. We offer three standard metal colours, but you also have the freedom to choose from the full RAL colour system, including 109 AkzoNobel Textura shades, for a truly customised appearance to suit your design needs.

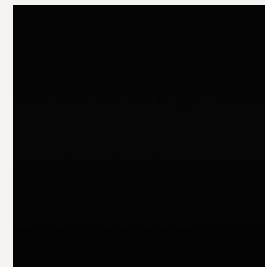

For custom solutions, you can choose any RAL colour code from interpon D1036 textura range.

(RAL 9005)

Matte White
(RAL 9010)

Graphite Grey
(RAL 7024)

Colour mix examples

Design your own unique expression by selecting up to five colour nuances from our palette of more than 80 wool felt shades. Whether you prefer a monochrome mix within the same colour family or a vibrant combination of contrasting tones, the possibilities are endless. With custom mixes, you can create a Leaf Lamp that perfectly reflects your style, brand, or vision, from refined and understated to bold and colourful.
